- Tools:** Kubernetes, Docker, Git, Jenkins
- Platforms:** AWS, Azure, Linux
- Soft Skills:** Project Maintainer, Planing, Tech. Writing, Time Management

EXPERIENCE

- Viamagus** Remote
DevOps (Intern) Feb 2023 - Present
 - Finding alternative for Git hosting subscriptions:** another Git repo where teams can work without limits in almost free of cost
 - Pipeline creation for Android and iOS:** automate staging environment to build and deploy them to Android, iOS
- Open Source** Remote
Self-Employed (Part-time) Feb 2022 - Present
 - Kubernetes (CNCF):**
 - * Error Suppression in printer/internalversion/printers: [PR Link](#)
 - * Code Refactoring of Pod under pkg/api: [PR Link](#)
 - * Added make module-init command in Readme: [PR Link](#)
 - * Added error handling in ValidateAdmissionPolicy: [PR Link](#)
 - Monokle (Kubeshop):**
 - * Addition of inbuilt templates: [PR Link](#)
 - * feat(rpm): Addition of rpm release: [PR Link](#)
 - * feat-terminal: added ZSH shell for Linux based OS: [PR Link](#)
 - Kubescape (Armo):**
 - * Addition of Cosign for quay.io in Github Action: [PR Link](#)
- Technical Blogs** Remote
Self-Employed Mar 2022 - Present
 - Introduction to CRI:** [Blog Link](#)
 - Lets talk about Ansible:** [Blog Link](#)
 - Progressive rollouts with Argo-CD & rollouts:** [Blog Link](#)
 - Deploy a server on AWS using Terraform:** [Blog Link](#)
 - Pods in Kubernetes:** [Blog Link](#)
 - Important concepts of operating-systems:** [Blog Link](#)
 - About my PDF-Editor project:** [Blog Link](#)

PROJECTS

- PDF Editor** Merge & Rotate PDFs
Web Development, project architecture Oct 2021 - Nov 2022
 - understanding Project development lifecycle.
 - Gain Devops tools integration
 - Tech: Go, NodeJS, Docker, Kubernetes, Jenkins, AWS, Azure
 - [Repo Link](#)
- Ksctl** CLI to manage Kubernetes clusters
Web Development, project architecture Sep 2022 - Present
 - A Multi-Environment Kubernetes management CLI tool.
 - Tech: Go, Kubernetes, AWS, Azure
 - [Repo Link](#)

LANGUAGES

- English - Native or bilingual proficiency
- Hindi - Native proficiency

VOLUNTEER EXPERIENCE

- Kubesimplify (Ambassador)** India
Simplify Cloud native concepts — created and maintained a project, tech. blogs Mar 2022 - Present
